Time is swiftly approaching! As the clock ticks closer to the [Global Green Growth Week](#) approaches, we wanted to send a gentle reminder about the significant contribution of [ENERGATE](#) to this esteemed event.

A Quick Refresher:

[ENERGATE](#) will participate in the Session "**Research Policy Interface to Upscale Multi-Level Climate Action**" through the presentation "**Facilitating the creation of an effective, ICT-enabled, energy efficiency marketplace**", which will be delivered by Project Coordinator, Katerina Papapostolou (NTUA) and is scheduled for the **27th of October** from **9.00** until **10.00** am CET.

The GGGI Week 2023 serves as a pivotal platform to share knowledge on scalable solutions, aiming to address the global climate crisis effectively.
