Newsletter - September 2023

IN THE SPOTLIGHT

LET'S MEET! – 7 projects jointly organise a [2-day event in Brussels](#), to RE-energise Europe with panels, presentations, poster sessions, a visit to an energy community and more, on new trends of energy demand, energy behaviour, energy efficiency multiple impacts and energy communities.

SHARE THE LOVE – IEECP has recently launched an [Instagram account](#), with the aim to reach new audiences and share more practical and sustainable tips on various everyday life topics, join us!

BROWSE - [Knowledge Exchange Platform](#) (ENSMOV Plus), discover our new platform on all things related to Article 8 of the Energy Efficiency Directive!

PARTNER – IEECP is glad to support the [Smart City Expo World Congress](#), 7-9/11 in Barcelona and online.

PARTNER – Happy to announce our new partnership with the [Financial Times Energy Transition Summit](#), 31 October – 2 November in London and online.

LOCAL AND REGIONAL ACTION FOR ENERGY AND CLIMATE

[Policy brief](#) (IN-PLAN) - Spatial planning: the crucial element for sustainable and resilient local development.

[Briefs and factsheets](#) (JUSTEM) – The project analysed regional energy transition plans to learn how the coal-dependent European regions of Silesia (Poland) and Western Macedonia (Greece) are ensuring no one is left behind in the transition to a greener economy.

[Opinion](#) (REGILIENCE) - The true cost of water – changing the narrative.

[Report](#) (OptFor-EU) – Gridded dataset of European Forest Types and methodology used to generate related maps across Europe.

[Subscribe](#)[Past Issues](#)[Translate ▾](#)[RSS](#)

EVENTS

[Workshop](#) (PROSPECT+) - October 2-5, Linz, Austria - **Explore sustainable bioenergy heating!**

[Webinar](#) (IN-PLAN) - October 4, from 10:00 to 11:30 - **Heat planning to decarbonise regions and cities.**

[Event](#) (PROSPECT+) - October 9-12, Brussels and online - **EU week of regions and cities - Access to finance for the local energy transition: how to move away from subsidies?**

[Event](#) (REGILIENCE) - October 18-20, Cascais, Portugal - **10th edition of the European Urban Resilience Forum (EURESFO).**

ENERGY EFFICIENCY FINANCING AND BUSINESS

[Article](#) (AUDIT2MEASURE) – An overview of the Smart Energy Cluster and the projects within the group.

[Summer Reading List](#) (DEESME) - Catch up on all things related to SMEs in the energy transition!

EVENTS

[Training workshop](#) (ENERGATE) – September 28th, Madrid – **Energy Efficiency, from Financing to implementation** – industry, financiers, and project developers meet to exchange ideas on how to facilitate access to funding for energy efficiency projects. Attendance is free but registration is required.

ENERGY EFFICIENCY POLICY

Podcasts (MICAT) – Episode 5 on [energy security and supply](#), Episode 6 on [microeconomics, macroeconomics, innovation & competitiveness](#), Episode 7 on [increasing the relevance & adoption of multiple impacts](#) are available!

Workshop recordings (ENSMOV Plus) – Catch up with ENSMOV Plus' [first workshop on Monitoring & Verification systems](#) and the [workshop on White Certificates and EEOS in France and Italy](#).

[Summer Read List](#) (ENSMOV Plus) - Read about energy efficiency policies in the context of the Energy Efficiency Directive and the latest ENSMOV Plus materials!

[Report](#) (ENSMOV Plus) - Read the latest report on Implications of the Fit for 55 Package on Member States' Energy Saving Obligations, focusing on the changes to the EED and other EU Directives and Regulations.

[Report](#) (StreamSAVE) - Status of energy savings calculations for Priority Actions in European countries, an overview of bottom-up methodologies for energy savings calculation in the EU27 Member States. It assesses their coverage of different sectors and end uses, combined with a gap analysis.

[Paper](#) (StreamSAVE) - Standardized savings calculations within Europe: exchanging practices to streamline theory and practice, N. Renders, K. van Maris, E. Meynaerts, P. Fonseca, P. Moura, C. Patrão, J. Broc, E. Böck.

EVENTS

[Thessaloniki International Fair](#) (Regio1st) – Come see Regio1st at the annual exhibition on 13th September 2023 with exhibitors from several countries and diverse industries!

CONSUMERS AND COMMUNITIES

[Subscribe](#)[Past Issues](#)[Translate ▾](#)[RSS](#)

mid-September.

[Scientific publication](#) (IEECP) - Decarbonisation Policies in the Residential Sector and Energy Poverty: Mitigation Strategies and Impacts in Central and Southern Eastern Europe.

Policy briefs (SocialWatt) – Go through these 3 policy briefs on energy poverty: [Time for a step change in the fight against energy poverty!](#), [Energy companies: key partners in alleviating energy poverty](#) and [Connecting obligated parties to adopt innovative schemes towards energy poverty alleviation!](#)

[Tool](#) (NUDGE) – Navigate useful resources and material around the topics of nudging (towards energy-saving behaviours), tips to save water and, coming soon, teaching material on those topics in several languages! [Catch up with the latest project newsletter.](#)

[Teaching material](#) (NUDGE) – 5 leaflets free to use, to teach about topics such as heating, water and nudging, to understand the impact of everyday life decisions on home energy consumption! Available in Dutch and English (other languages coming soon).

[Blog](#) (NUDGE)- How to know when to use the energy produced by your own solar PV plant? Focus on NUDGE Croatian pilot.

[Campaign](#) (NUDGE) - The true cost of water and how to prevent wildfires – changing the narrative and tips.

[Briefing](#) (ENPOR) –Best practices for reaching out to tenants in the Private Rented Sector (PRS) - A visual recording of the ENPOR Thematic Seminar #2 – includes the webinar recording and links to presentations.

[Website](#) (Citizen-led renovation) – How can we use the engagement power of energy communities to increase the energy efficiency of buildings and put citizens in the driver's seat of the energy transition? By helping them to set up renovation support for their members and the wider community, empowering them for Citizen-led Renovation!

EVENTS

[Webinar](#) (ENPOR) - Methodologies and tools to quantify split incentives, September 7, 11am CET.

[Webinar](#) (NUDGE et al) - Empowering Consumer Energy Sharing & Saving: Local demand reduction by elevating behavioural change for a just energy transition, September 12.

[Energy Poverty Advisory Hub Conference](#) (Warsaw, 19-20 September) – Two sessions to note: “Collaborative approaches: Partnerships for energy poverty reduction”, September 19, 2 to 3.30 CEST will explore the benefits of forming partnerships among different stakeholders to effectively address energy poverty through policy recommendations and local actions (ENPOR). “From Social Climate Fund to Social Climate Justice: uniting ambitious climate and social policy goals”, 20 September at 11:10-12:50 CEST (JUSTEM).

[Conference](#) (ENPOR and NECPlatform) – Grafting Cities: Cultivating Our Common Future - October 19, Modena, Italy – ENPOR partner ENEA will present in the workshop [fighting energy poverty](#).

[Event](#) (ENPOR) – Save the date for our final event in Brussels, November 16 - Combatting energy poverty in Europe: towards an inclusive and just energy transition.

BUILDINGS

[Policy brief](#) (newTRENDS) – Circular buildings: Paving the way to a net-zero industry. The newTRENDS team modelled a reference case for the steel and concrete demand in buildings until 2050 and use the results to derive policy recommendations.

[Article](#) (CoolLIFE) - Space cooling technologies for buildings: Alternative solutions to conventional applications.

[Article](#) (CoolLIFE) - Summer Energy Poverty Hits Back. Read the article in the [REVOLVE quarterly](#).

[Subscribe](#)[Past Issues](#)[Translate ▾](#)[RSS](#)[Recordings](#) (InEEExS) - EU Project Clustering events: Smart Energy Services, organised by SmartSPIN.**EVENTS**[Event](#) (InEEExS) – InEEExS partner ESCAN will be presenting in the Community Energy Schemes Hub session, 29 November 2023 at 13:45 in person in Paris and online.

The IEECP newsletter gathers news from projects receiving funding from the European Horizon 2020, Horizon EU and LIFE programmes. [See all projects IEECP coordinates or participates in.](#)
