Newsletter - July 2025

IN THE SPOTLIGHT

IEECP is officially on [Bluesky](#)! Follow our new account and stay up to date with our latest news, insights and project updates.

IEECP is main author / co-author of three scientific publications in the *Energy* and *Sustainability* journals, available in open access:

- [How to Distinguish Income Indicators of Energy and Transport Vulnerability—A Case Study of Greece](#) written by Vlasios Oikonomou (IEECP), Samuele Livraghi (IEECP), Konstantina Karalaiou (IEECP), Ivana Rogulj (IEECP), Stavros Spyridakos (IEECP) and Christos Tourkolias (CRES).
- [Exploring the Determinants of Energy Vulnerability in Micro-Enterprises: Insights from the Croatian Case Study](#) written by Ivana Rogulj (IEECP), Saša Žiković (UNIRI) and Stavros Spyridakos (IEECP).
- [Expanding natural gas infrastructure in Greece: Good practice or missed opportunity of a green and inclusive transition?](#) written by Dimitris Papantonis (TEESlab), Vassilis Stavrakas (TEESlab & IEECP), Vlasios Oikonomou (IEECP) and Alexandros Flamos (TEESlab).

Please look up! Efficient, resilient, fair and smart
What does our energy future look like?

- 🕒 15 & 16 October
- 🕒 9:00 - 17:00
- 📍 COMET Louise (Brussels) and Online

Co-funded by the European Union

Logos: InEEExS, REGIO1ST, Cool LIFE, RENOVERTY, REVERTER, giga regio factory, energy poverty, ENSMOV Plus

[Please look up! Efficient, resilient, fair and smart – what does our energy and climate future look like?](#) Join us in Brussels or online on 15 and 16 October, combining 4 LIFE funded projects: Ineexs, Regio1st, RENOVERTY and ENSMOV Plus! This two-day conference, is a unique opportunity to meet and hear from research developed and experiences shared over the past four years and interact with experts and practitioners from various countries and fields, and working on shaping the future of energy in Europe.

PARTNERSHIP – IEECP renews its partnership with the Smart City Expo World Congress as a collaborating organisation! [Register now with our 25% discount.](#)

CLIMATE AND ENERGY

[Final report](#) (NECPlatform) – Many levels, one voice – Co-creating climate and energy policy in the EU.

[Scientific papers](#) (OptFor-EU) – Protecting Forests from drought and heat events and Advancing user-centred and trustworthy Technology [Adoption](#).

[Quick guides](#) (REGILIENCE) – Designed to be practical and accessible, each guide focuses on a specific hazard, breaking down complex challenges into concise, engaging formats. With infographics, checklists, case studies, and key resources, these guides are more than just reports – they are tools for action. More quick guides are available in 9 languages: flash floods, river floods, droughts and storms.

INDUSTRY AND BUSINESSES

[Quiz](#) (DEESME 2050) – Play the EnerWhizz quiz to test your knowledge on DEESME 2050 and energy efficiency measures for SMEs!

[Blog + Infographic](#) (RE-WITCH) – Why Are Industries Still Wasting Heat?

[FAQ](#) (RE-WITCH) – What do beer, biofuels, milk and medicines have in common? Their essential cooling and heating needs and the RE-WITCH technologies that can help meet them sustainably. RE-WITCH launches a new FAQ-style infographic with insights from the sector analysis and technology specifications.

[Subscribe](#)[Past Issues](#)[Translate ▼](#)[RSS](#)

The first joint activity is a participation in the [ENLIT Europe event](#), in Bilbao, November 2025. More information soon.

EVENTS

[Competitiveness in transition: transposing energy efficiency policies to national regulations](#) (AUDIT2MEASURE, DEESME2050, ENTRACK) – September 16, 10.00 CEST, online.

ENERGY AND CONSUMERS

[Article](#) – Vlasios Oikonomou writes for the Greek media Energame about fuel taxation and the role of the Social Climate Fund (in Greek).

[Article](#) (Regio1st and IN-PLAN) – MEP Scuderi hosts Energy Prices and Affordability Roundtable.

[Follow-up material](#) (Regio1st) – Empowering Regions: Advancing Just Transition Through Energy Efficiency, Education & Citizen Support.

[Video series](#) (RENOVERTY) – The project is excited to launch a new video series that brings you directly to the heart of rural building renovation efforts across Europe. This series features insightful interviews and powerful testimonies from representatives of Local Action Groups (LAGs) who are leading the way in sustainable building practices.

[Factsheets](#) (RENOVERTY) – The latest multilingual factsheets evaluate the effectiveness of different Energy Efficiency Measures (EEMs), targeting households experiencing energy poverty, and studying their options in terms of space heating and lighting in the project regions.

[Newsletter](#) (SEED MICAT) – Have you ever wondered what the multiple impacts (MI) of a large renovation measure might be? Check out the June edition of the MICAT Community newsletter and discover!

[One-pager](#) (SEED MICAT) – Discover how the MICATool - Quantifying the multiple impacts of energy efficiency, streamlines data analysis and achieves key objectives in our latest “how-to” one-pager.

[Training session on using the MICATool](#) (SEED MICAT) – Join and explore how the MICATool facilitates effective decision-making at the national, regional, and local levels by calculating and analysing the multiple impacts of energy efficiency-oriented measures across various sectors. Register and indicate your first availability.

[Article](#) (LOCATEE) – ‘EU Renewables surge, but millions still struggle to heat homes’ – EURACTIV examines renewable energy consumption and the data involving energy poverty rates across Europe.

[Workshop](#) (ENSMOV Plus) – Discover the workshop materials on Energy Efficiency Obligation Schemes (EEOS) with Romanian stakeholders.

EVENTS

[The multiple manifestations of housing inequalities - Inclusive living, working and moving](#) (HouseInc and sister projects) – September 17, 11.00 CET, online.

[Rethinking Policy Evaluation: Integrating and Leveraging the Multiple Benefits of Energy Efficiency](#) (SEED MICAT & Enefirst Plus) – Energy Evaluation Europe conference 2025, September 24, 17.00 - 19.00 CEST, Berlin.

[Video](#) (CoolLIFE) – Why is space cooling a critical issue?

[Video](#) (EBENTO) – Discover the Renovation Decision Support (DSS4Ren) Module, now featured in a brand-new video demonstration!

[Blog](#) (InEEsS) – In a new blog post series, 'Stronger, better, faster and smarter', InEEsS explores the solutions for a more efficient energy system, the first blog in the series investigates solar self-consumption.

[Website](#) (ReLIFE) – Discover the new website of the ReLIFE project, that is working to transform the EU building sector by making data more accessible and actionable.

[Interview](#) (HORIS) – Bureau Veritas, ensuring the quality assessment of professionals in the HORIS digital renovation platforms.

Video, podcast, blog – Discovering the HORIS renovation platforms, allowing future homeowners undergoing renovation to get easy access to information on measures (quick or deep), financial support as well as certified professionals. Want to catch up quickly? Do so as you wish in a [blog](#), [podcast](#) or [video](#) (activate subtitles if you don't speak Spanish).

[Platform](#) (DeCO₂) – Digital Product Passport (DPP) Platform for a wide range of cutting-edge sustainable building materials, starting with sustainable insulation material and 3D-printable concrete.

[Survey](#) (DeCO₂ and DigiBuild) – Now available in 5 languages, this survey is exploring how digital tools and circular practices can transform the renovation landscape. Your input will help shape future policies and innovations.

[Call for Chapter Contributions](#) – Understanding the Role of Buildings in the Energy Transition: Business, Planning, and Policy Researchers, professionals, and policy experts, contribute to the upcoming Springer Nature open access book, by October 31, 2025. Editors: IEECP's Vlasios Oikonomou, Dr. Alexandros Flamos, Dimitra Tzani (TEESLab).

EVENTS

[5th International Workshop on AI & Data Analytics in the Energy Sector](#) (featuring the #SmartEnergyCluster and InEEsS) – July 10, IISA Conference 2025, Mytilene, Greece.

The IEECP newsletter gathers news from projects receiving funding from the European Horizon 2020, Horizon EU and LIFE programmes. [See all projects IEECP coordinates or participates in.](#)
