

# REHVA EXPERT TALK

**Standardization in finance** accelerates EU renovation objectives, merging perspectives of financial institutions and consumers.

\_\_\_\_\_  
Céline Carré

**Trust-building** between partners is crucial. Selling services among various solutions could be discussed.

\_\_\_\_\_  
Henk Kranenberg

**Standardized contracts** can be benefiting the financial field over customers' interests.

\_\_\_\_\_  
Emil Iakabos

Co-funded by the European Union under project ID 101076349. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or CINEA. Neither the European Union nor the granting authority can be held responsible for them.

A **low-trust system** would emphasize data and evidence for decision-making.

Peter Sewatman

There seems to be institutional reluctance due to concerns about stranded assets. It is important to **incentivize renovations**.

\_\_\_\_\_  
Csaba de Csiky

**Lifecycle assessment** can be a useful tool for bankers but whether it justifies “green premiums” is questionable.
